HYMN FOR TODAY

Praise, my soul, the King of Heaven;
to His feet thy tribute bring.
Ransomed, healed, restored, forgiven,
who like me his praises should sing?
Praise Him, praise Him! x 2
Praise the everlasting King!

Praise Him for His grace and favour
to our fathers in distress;
Praise Him still the same as ever,
slow to chide, and swift to bless.
Praise Him, praise Him! x 2
Glorious in His faithfulness

Extract from the message of Pope Francis for this year's
XXVIII World Day of Prayer for the Sick:

Only those who personally experience suffering are then able to comfort others. There are so many kinds of grave suffering: incurable and chronic diseases, psychological diseases, situations calling for rehabilitation or palliative care, numerous forms of disability, children's or geriatric diseases... At times human warmth is lacking in our approach to these. What is needed is a personalized approach to the sick, not just of **curing** but also of **caring**, in view of an integral human healing. In experiencing illness, individuals not only feel threatened in their physical integrity, but also in the relational, intellectual, affective and spiritual dimensions of their lives. For this reason, in addition to therapy and support, they expect care and attention. In a word, love. At the side of every sick person, there is also a family, which itself suffers and is in need of support and comfort.
